Pfeiffer UNIVERSITY

DEVOTED & TRUE

OUR LOYALTY REIGNS EVER MORE

Each year, alumni and others demonstrate their loyalty to Pfeiffer's future by giving $1,000 or more to The Pfeiffer Fund. The Devoted & True giving society recognizes those who pledge to support the University at this level for five years.

What is Devoted & True?

Devoted & True donors invest in Pfeiffer's mission of preparing tomorrow's leaders for a lifetime of achievement, scholarship, spirituality, and service. Their endorsement, with consistent donations to The Pfeiffer Fund, helps the university address institutional priorities, including program enhancements and scholarship support to more than 95% of Pfeiffer students. *Devoted & True* donors provide a steady foundation of support that builds a pipeline of gift revenue we can depend on, helping to ensure that the university stays financially healthy.
